If passports were stamped with experience instead of place, they would be imprinted with exceptional moments just like these. With virtually everything included on your journey, every day with Luxury Gold is an unmatched experience. Curated exclusively for you.

The *Golden* Touch.

At times during your Luxury Gold journey, you will be left wondering: "How did they do that?" Like all the best magicians, we won't divulge our insider secrets – so instead sit back and enjoy your journey of a lifetime, packed with A-list access, subtle touches and opulent experiences you'll treasure forever. Here's a selection of truly special moments from some of our best-selling tours to set your imagination on fire.

La Dolce Venice, Italy

Bustling Venice is a city of day trippers, with few experiencing the heart of this Italian gem to themselves. But with Luxury Gold, stay in Venice's historic centre at the canal-side 5-star Palazzo Nani Venice, arriving by private water taxi – the preferred mode of transport of George Clooney, who is regularly photographed waving to fans from these exact vessels. Having observed the opulent waterside homes of the Grand Canal with Murano glass chandeliers, detailed wooden ceilings and bright mosaics that shine in the sun, later, you'll enjoy a traditional serenade from your gondolier as you make your way to Piazza San Marco's Doge's Palace for a private, after-hours tour. As you make your way through its imposing entrance, other tourists will ask: "How do you get a private visit?". Your Travel Concierge will reply: "With Luxury Gold, it is all included!" Even Clooney would be impressed. Full of historical, cultural and artistic relics, your time here culminates with an exclusive crossing of the Bridge of Sighs. *Experience on the 12-day, Ultimate Italy journey.*

Oh So Provence, France

Picture quintessential southern France. You may well be thinking of the iconic Citroen 2CV, meandering through the undulating hills of Provence in the sunshine. As a Luxury Gold guest, you will be living that fantasy. After another leisurely start at boutique 5-star spa hotel, Château de Fonscolombe, hop into this classic French automobile and drive from Lourmarin through 'Le Petit Luberon' – a real hidden gem that is only accessible to smaller vehicles and where the 'who's

who' of Europe holidays for the summer, away from prying eyes. The owner of these 2CVs is Laurent, a true local with a real passion for vintage cars. He and his team will share authentic insider information that you'd never get from the pages of a guidebook. After enjoying the meandering journey, you'll pull up at Domaine de la Citadelle Winery, where you'll be treated to a picnic of artisan local foods, served at the tables surrounded by the vineyard. There, you'll meet owners Yannick and Valerie, who have transformed the winery into a thriving organic estate, committed to preserving the environment as you sample a glass – or three – and toast yet another special day in the French countryside. *Experience on the 14-day, Ultimate France journey.*

Royal Treatment, India

Many have made the pilgrimage to the Taj Mahal, but few have enjoyed the unforgettable, Luxury Gold experience of this world-famous tomb, created by the fifth Mughal emperor Shah Jahan to honour his wife and queen Mumtaz Mahal. You'll be gently awoken before dawn, having enjoyed a fabulous night's sleep in the opulent 5-star Taj Hotel. As day breaks in beautiful hues of orange, pink and yellow – enjoy the Taj Mahal in total peace and tranquillity. After your early start, journey to Bharatpur for lunch at the lavish Laxmi Niwas Palace before relaxing in air-conditioned comfort on the Jan Shatabdi Express train bound for Ranthambore National Park. You'll be staying at the superb Nahargarh Ranthambore, a former royal retreat surrounded by a 16th century-style fortress. You'll wake the next day to meet a Local Expert naturalist, who'll join you on your quest to see something

truly special – an Indian tiger in its own habitat. If it eludes you, you can choose to return again at dusk and perhaps catch a glimpse of leopards and sambar deer. As well as pursuing these majestic creatures, they will give you an insider's understanding of the expansive park's flora and fauna, lakes, palace ruins, traditional Chhatri dome-shaped pavilions, old fortifications and a majestic 1,000-year-old fort. *Experience on the 9-day, Essence of India journey.*

Sail Through History, Egypt

After returning from a tour of the great Pyramids of Giza with our expert Egyptologist, you'll wonder how your Luxury Gold journey could get any better. But it does! You'll board the sumptuous River Tosca for a seven-day Nile cruise. Take a cooling dip in the pool and relax on a shaded cabana as the Egyptian sun begins to set. Retire to your suite with its old-world elegant decor before a night of feasting, dancing and games, kicking off your cruise in style. In the morning, you'll enjoy a visit to the 1st-century B.C. Temple of Hathor, one of the best-preserved temples in Egypt, viewing rare images of Cleopatra VII and Caesarian, the son of Julius Caesar. Witness the Dendera Light, which some believe depicts an ancient electric light bulb. But save some energy as when dusk falls, you'll have the privilege of an after-hours, exclusive VIP visit to the UNESCO World Heritage Site of the Temple of Luxor. *Experience on the 11-day, Elegance of the Nile journey.*

Out of South Africa

Imagine sitting in the outback of the Kruger National Park in the fresh evening, darkness all around you and above – a blanket of twinkling stars. In your hand is a crisp, cold glass of sparkling wine and on the table a magnificent celebration feast specially created for you by local chefs at the luxurious Lion Sands Lodge – where you will have spent the last few days of your adventure in South Africa. As you dine, you can reflect on the once-in-a-lifetime experience of observing lions, elephants, leopards and a whole host of other creatures in the wild.

During your time at the Lion Sands Game Reserve, part of an ecosystem boasting the largest concentration of wild animal species in the Southern Hemisphere, you will enjoy both dawn and evening game drives. Setting off as the sun begins to rise, you'll sip on fresh, hot coffee as you climb into an open-air safari vehicle driven by an expert ranger and tracker, setting off in pursuit of buffalo, rhinoceros and hippopotamus.

On return to your safari-style villa, you can relax by the plunge pool and enjoy the view over the Sabie River – Lion Sands Villa is the only private reserve

to have access to the perennial stretch of water – while indulging in high tea. Or, if you are feeling more energetic, join your ranger for a bush walk. In the evening, you will set off by vehicle to a nearby watering hole to observe majestic creatures taking a last drink before sunset. Pause for a refreshing gin-and-tonic and local snacks before returning for an evening feast of slow-cooked meats, seasonal vegetables and sweet treats in your safari-style lodge.

Travel like an insider

The world from a local's viewpoint

You can travel the world, visiting cities, landmarks and sights, but at Trafalgar, we like to do things, differently. We're proud of the many different types of experience we offer – all of which put locals at the heart of any journey. Here, Jen Hirtle, Trafalgar's Head of Travel Experiences, shares some of her highlights.

For all tours, all experiences and to learn more, visit trafalgar.com.

"Inspired by everything from their own holidays, to travel trends, television shows and through Trafalgar's relationships and connections from nearly 80 years in travel, our passionate Experience Developers are the best at creating truly unique journeys. One way they add a touch of something special is through what we call *Be My Guest*. Combining hospitality, stories and culture, giving guests a greater understanding of what a place is actually like, through those that know it best. There's a huge variety of more than 100 experiences globally and at least one on every tour.

For example, in Florence, Italy you will of course experience the highlights of the Renaissance city. But with Trafalgar, we'll take you beyond the tourist trail to the home of Giada Landi (1) on *Real Italy*, who will welcome you to her 18th Century Tuscan Estate 'Villa il Leccio'. Eight generations of her family have lived in the property, farming the surrounding vineyards and olive groves. Guests will explore the property and surrounds while learning about the family's connection to the region. Then, in Olympia, Greece after exploring the ancient relics, you'll be welcomed to their olive oil and vineyard owned by the Karabelas Family (2) on the *Best of Greece*. You'll taste wines and oils straight from the barrel before settling in for a meal and Greek dancing. In Portugal, join hosts Tiago and Vera at their rural stud ranch in the Alentejo region on the *Best of Portugal*. You'll explore the property and see a performance of their stunning white Lusitanian horses. Guests will also hear the tragic story of unrequited love of their ancestor, Jacinto, who fell in love with the (married!) Queen of Portugal when she visited the farm

"We had many surprises along the way. Especially enjoyed the Be My Guest, and locally hosted events. We commend Trafalgar for becoming involved with locals to support their businesses with our visits – enhancing our experience, too."

Shared by our guest Joyce, on *Best of Portugal*.

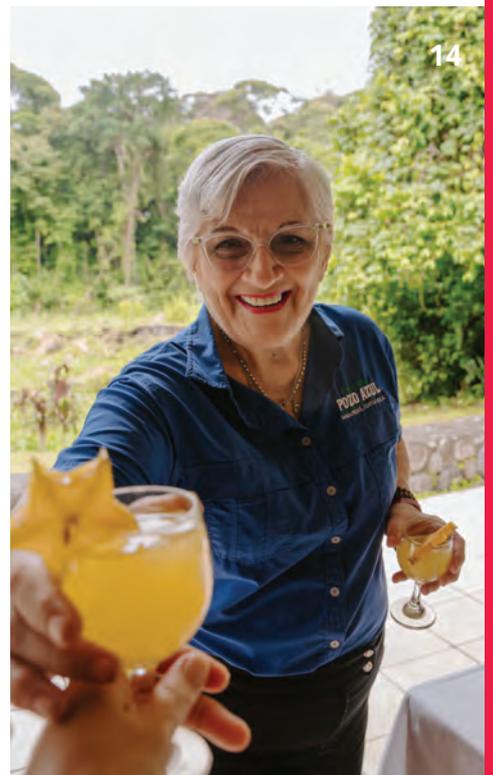

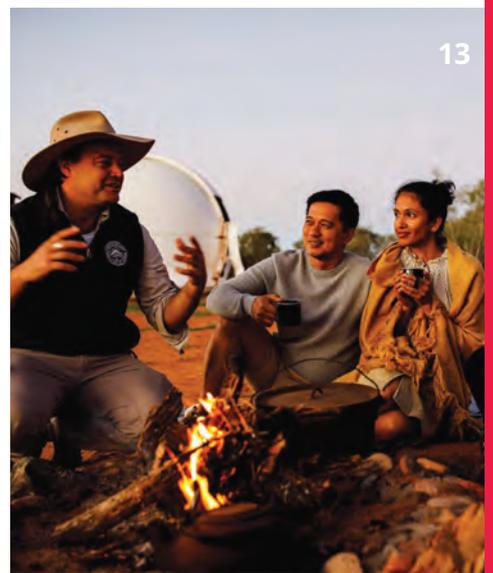

in the 18th century. There's also Fergus Wood's property on the lakes of Loch Ard, Scotland, where legend has it this farm is where the famed Scottish hero, Rob Roy, came of age — Fergus and his son Gregor will treat you to a traditional 'session' — singing that will transport you to the myths and tales of ancient Scotland.

We also know our guests want to enjoy unique Experiences in incredible destinations while giving back at the same time. MAKE TRAVEL MATTER® Experiences allow just that. For example, brothers and eco-warriors, Tom and Danny Falzon (13), owners of Earth Sanctuary World Nature Centre in Alice Springs, Australia, which is fully wind and solar-powered, will teach you about climate change and sustainability over a BBQ under the stars on *Outback Australia*. In Peru, you'll meet Nilda Callañaupa Alvarez, a master Quechua weaver (9) On *Highlights of Peru*, you'll meet an ambassador for Andean traditions and preservation of this ancient craft. And in Rotorua, New Zealand, discover Māori traditions at the Te Ra experience on *New Zealand Uncovered*, where you'll watch carvers and weavers at the Māori Arts and Crafts Institute (6) while hearing the stories passed down from their ancestors.

Be My Guest and MAKE TRAVEL MATTER® are just two of many special elements that make our tours so special. They (often quite literally!) add flavour to your trip, as well as authenticity and surprise. With Trafalgar, you'll not only experience a fabulous overview of your dream destination, but also really get under its skin by meeting locals that go the extra mile."

Just a few of hundreds of locals you might meet: 3. Meet Dave, *Majestic Alaska*. 4. Meet the Maan Family, *Spectacular Canadian Rockies*. 5. Meet Arild, *Best of Norway, Scenic Scandinavia & its Fjords*. 8. Meet Guy, *Perfect Tasmania*. 10. Meet Denis, *Balkan Adventure*. 11. Meet Jaideo and Devika, *Best of India*. 12. Meet Alexandra & Beatrice, *Best of France*. 14. Meet Mrs Quintana, *Costa Rica Nature Adventure*.
